# About the organizers of this event..

## **The Peninsula Foundation**

The Peninsula Foundation strives to preserve the heritage, maintain the character and promote the vitality of Peninsula and Boston Township. We do this by engaging the Community through arts and educational programming and historic preservation. Through our stewardship of 20 properties in the Village, we help to preserve Peninsula as a small rural, canal-era Village located in the heart of the Cuyahoga Valley National Park.

The Peninsula Foundation supports the arts through the **Voices in the Valley** music program at the G.A.R. Hall. This program is an internationally and nationally-recognized concert series. It promotes original and traditional roots music through live performances, educational workshops, fair pay to artists and Artists in Residency opportunities. Our goal through this program is to make the arts accessible and available to all.

Five years ago The Peninsula Foundation began fundraising efforts to make the G.A.R. Hall A.D.A. accessible, and last November we opened this new space to the public. Thank you to everyone who supported us in this effort. We are now turning our attention to the rehabilitation of the historic Main Hall. To donate to this project, and to learn about the work of the Peninsula Foundation, please visit us at  
[www.thepeninsulafoundation.org](http://www.thepeninsulafoundation.org)

## **The Peninsula Area Chamber of Commerce**

The Peninsula Area Chamber of Commerce is an organization of merchants from Peninsula Village and the surrounding area. It was organized to promote business and commerce in the Village of Peninsula. Experience all we have to offer, while losing yourself in our small Village. Peninsula is a small historic canal era village with a river running through it. A little piece of green nestled between Akron and Cleveland. Take a stroll down historic Main Street, take a ride on a train or just sit and watch the world go by. Whatever you do, you'll be glad you came. Stop in for a visit and stay for a memory.

## **Main Street Peninsula**

The Village of Peninsula has recently committed to becoming a Main Street Affiliate Community as administered by Heritage Ohio. This initiative strives to foster cooperation and collaborative efforts in revitalizing historic and commercial areas. The Main Street approach has rekindled entrepreneurship, downtown cooperation and civic concern in Main Street Communities throughout the State. This is a joint effort between the Village of Peninsula Government and The Peninsula Foundation to re-vitalize and re-energize downtown Peninsula.
